KOLLENYI recently, but the offer was being dodged. V-14450 meets with the AVH in Vienna periodically, and had a meeting with his case officer there, I gathered in the last week of February. He is still handled by V-14411 (the old Oberstabsamt) for URSSR/NAZIS, but for the purposes of the case the AVH has been lead to believe that V-14450 is associated with a different intelligence group (in fact imaginary). V-14601 has been retired, actually.
